

# PEDESTRIAN SAFETY

**W**

Walk on the side of the road as far to the left as possible or on the paved shoulder **AGAINST** oncoming traffic where there are no sidewalks.

**A**

Always wear highly visible or reflective clothing that highlight movement.

**L**

Look out for cars that are turning, backing up or stopped at an intersection.

**K**

Keep vigilant at intersections and in parking lots, especially with small children. Make eye contact with drivers.

**S**

Stop, look left, look right and left again before crossing the street at the designated intersection.
